

Hillview Farm offers residential care with the opportunities to

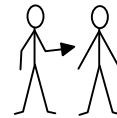

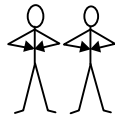

participate in farm & horticulture based activities these

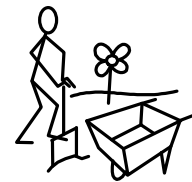

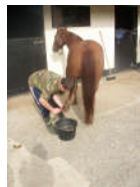

opportunities can be accessed at Hillview Farm's day

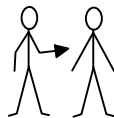

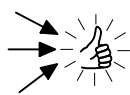

service and education centre.

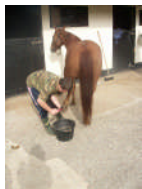

At Hillview Farm's day service we can support you in

learning about horse care and animal care and horticulture.

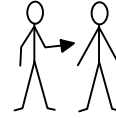

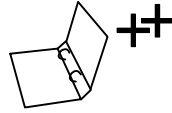

With these opportunities you can study for your NVQ in

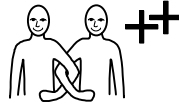

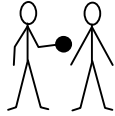

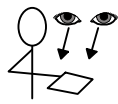

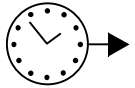

horse care and animal care at the education centre based at

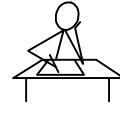

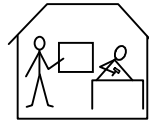

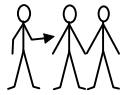

Hillview Farm.

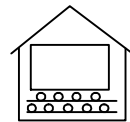

All your work will be kept in folders for you to keep for

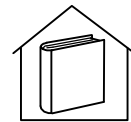

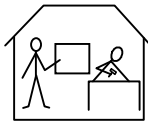

the future and to show your friends & family.

From Hillview Farm you can access college, work placements

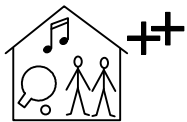

and many other community based activities, such as cinema,

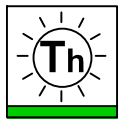

**mencap**

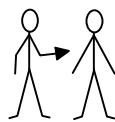

theatre, sport recreation, college, shopping, library, Mencap and

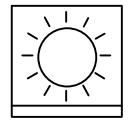

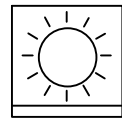

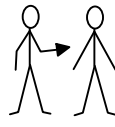

other social clubs, including Hillview Farm's social club on a

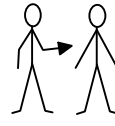

Thursday evening.

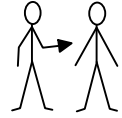

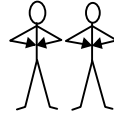

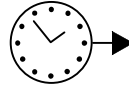

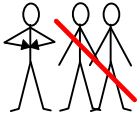

The staff will help you with accessing your chosen

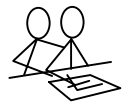

interests, our staff will support you in your day to day

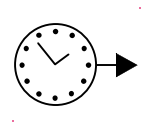

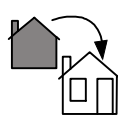

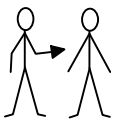

living environment to ensure that you can develop your

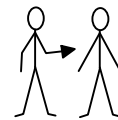

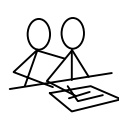

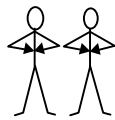

independent living skills for the future, we aim for you to

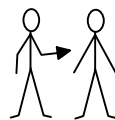

develop good life skills whilst living at Hillview Farm to help

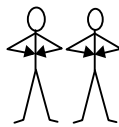

you to move on to more independent living in the future.

We hope this document has helped you to understand a little

about what Hillview Farm can offer you.
